Up to 175 Territory women will join with business women from around the country in Darwin tomorrow to share ideas about what makes a successful business.

Minister for Women's Policy, Malarndirri McCarthy will open the 2010 Business Women's Forum.

Ms McCarthy said the Forum is a great opportunity for business women to engage with and to support the economic development of Territory women in our Growth Towns.

Ms McCarthy said the Territory Government has invested more than $4000 in the Forum.

"The Business Women's Forum will showcase how women can be financially independent and lead the way through innovative successful business practises,' said Ms McCarthy.

"Savvy business women will participate in workshops and panel discussions focussing on issues ranging from factors influencing women's career success and running a successful business.

"The achievements, vision and commitments of Territory women have made them leaders in their chosen fields."

The Forum starts at 9:00 am at the Holiday Inn Esplanade Ballroom.

It will be followed by a Gala Dinner will an all-male Panel Discussion titled "Let's hear it from the boys" - how the men in your life can further support you, your business and your career'.

The Business Women's Forum is part of October Business Month
