THE NED Sauvignon Blanc

International Best in Show Sauvignon Blanc under £10 Trophy at the prestigious Decanter World Wine Awards 2012. If you're looking for a winning Sauvignon Blanc, go no further than New Zealand's Marlborough region. With lime zest, lemongrass and passionfruit flavours, this works best with a shellfish pasta.

CHANDON Non Vintage Sparkling Brut

Bubbles are perfect to spark your appetite, and work beautifully with the different textures and flavours in canapés. Remember when popping the cork, a hiss is better than a pop (and much safer!)
