**Australia’s Biggest Morning Tea**

We have so many generous people in our community and many came to support Australia’s Biggest Morning Tea which was jointly hosted by Northlakes Shopping Centre shop owners and managers on Wednesday 20 May 2015.

We raised a significant amount of money for cancer research, prevention and support services. This is a fun, rewarding way for you to help people whose lives have been affected by cancer. It’s not too late to hold a fundraiser with your friends, family or colleagues.

The campaign runs until the end of June so go to www.biggestmorningtea.com.au to find out how you can get involved.

Thanks to everyone who came along and donated to the fund. A great time was had by all.

My special thanks go to all the businesses in the Centre who participated in the morning tea - Coles; Northlakes Amcal Pharmacy; Northlakes Newsagency; Northlakes Medical Centre; Brumby’s and K-Lush Hair Design.
