2 September 2016

FORMATION OF TERRITORY OPPOSITION

This afternoon I was advised by the Speaker that she has allocated the Office of the Opposition Leader to the Country Liberals.

The Speaker did so at the advice of the Clerk of the Legislative Assembly and the Solicitor-General of the Northern Territory.

As such, the Northern Territory Government will provide appropriate resources to the Country Liberals Opposition.

I will hold further discussions with the independents to determine appropriate resources for them.
