WET KIDS – STILL NO BUS SHELTERS

Gerry Wood, the Independent Member for Nelson, wants to now why the Government has not erected bus shelters in the rural area.

Gerry says there have been bus shelters sitting at Freds Pass for over 12 months and they are still sitting there. These bus shelters were given to the Litchfield Shire Council. The council decided it didn’t want responsibility for them. The government said they would then take responsibility for them. Twelve months later and just one meeting not one of the shelters has been erected – and for the second wet season in a row school children have been left in the rain.

Gerry says if this is an example of Government action (inaction) perhaps a snail should be on our NT Coat of Arms.
