SHADOW CABINET ANNOUNCED

Terry Mills, Leader of the Country Liberals, has announced that Kezia Purick will be Deputy Leader of the Country Liberals in the new parliament.

“I’m delighted that Kezia, a former head of the Minerals Council, was the unanimous choice to be my deputy,” says Terry Mills.

“I’ve also decided to give each member of my team specific portfolio responsibilities in the new parliament.

“There’s considerable depth of experience amongst my team and I want to make the most of their talents.

“I want each member of my team contributing to the work of keeping government accountable and developing their policy skills.

“Giving each member a level of responsibility will provide greater scrutiny of government and a better outcome for Territory taxpayers.”
