Harmony Day Youth Concert Celebrates Territory’s Cultural Diversity

The Northern Territory’s cultural diversity and the talent of young Territorians will be on display at the 8th Harmony Day Youth Concert tonight.

Member for Karama, Delia Lawrie, said tonight’s event hosted by the Filipino Association of the Northern Territory celebrates the rich diversity of the Territory.

“We have a proud multi cultural history in the Territory and Harmony Day events help us celebrate it,” she said.

“The Northern Territory Government through the Office of Multicultural Affairs will continue to support the celebration of our multiculturalism with the Harmony Day Sponsorship Program and the Charles See Kee Awards.

“Multiculturalism contributes directly to the social, economic and cultural development of the Northern Territory.

“I encourage people to come and enjoy the Youth Concert tonight and see performances by schools including Darwin High, Casuarina Senior College, Essington School, Moil Primary, Holy Spirit Primary, Tracks and Darwin School of Ballet.

“Performers from Filipino, Irish, Indonesian and Greek community groups will also take the stage.

“I thank the Filipino Association of the Northern Territory for organising and making this event possible,” said Ms Lawrie.

National Harmony Day takes place on 21 March and a full calendar of events across the Territory to celebrate the day is available at www.nt.gov.au/dcm/multicultural
