Congratulations To Our Lady Of The Sacred Heart

Congratulations to the students and teachers at Our Lady of the Sacred Heart in Wadeye for winning the international Eni Schools Initiative competition.

The member for Daly, Rob Knight travelled to Wadeye this evening to congratulate the winning students.

“This is a fantastic achievement and is an example of some of the great work being done at Our Lady of the Sacred Heart,” said Mr Knight.

“I’d also like to thank Eni for taking the initiative to encourage students from around the world to explore and share their cultural diversity.

“The students at Our Lady of the Sacred Heart have a rich cultural heritage which dates back hundreds of thousands of years.

“This exciting project has allowed them to share their values and customs with people from around the world.

“And the exchange will continue as the students from Wadeye travel to Italy on an all expenses paid holiday.

“Congratulations to Eni, Our Lady of the Sacred Heart and the students from Wadeye.
