$1.142 Million Upgrade to Nhulunbuy Primary School

The Northern Territory Government has announced a $1.142 million upgrade to Nhulunbuy primary school.

Education Minister Marion Scrymgour joined the local member Lynne Walker at Nhulunbuy primary school this morning.

“Nhulunbuy primary is a great school and we’re giving it a much needed facelift,” Ms Scrymgour said.

“Nhulunbuy primary school is an important part of the community with 550 students in attendance.

It’s a school teachers and students should be proud and the upgrade to the buildings will ensure the buildings are up to standard.

Local Member Lynne Walker said she was pleased the contract had been awarded to local company BIG Carpentry.

“Government is supporting local businesses and the community of Nhulunbuy, BIG Carpentry are a respected business and I’m sure they’ll do a great job.

The work is expected to take 14 weeks to complete.
