Malaysian Tourism Minister invited to the Territory

The Malaysian Tourism Minister has accepted an invitation to visit the Northern Territory.

Tourism Minister, Malarndirri McCarthy, met with Dato Seri Dr Ng, in Kuala Lumpur last week.

“I’ve invited the Minister to come and see the Territory so she has a point of reference for our future meetings,” Ms McCarthy said.

“There is also more than 500 Malaysian born Territorians who make a huge contribution to our diverse and vibrant community.

“Dr Ng accepted my invitation and will advise a suitable time given other commitments we both have.

“We had a very positive meeting and agreed to continue exploring ways we can promote and strengthen the tourism opportunities between our two governments.

“The best way to do this is for Dr Ng to come and see for herself the delights and tourism business opportunities the Northern Territory offers.

“I look forward to her visit.”
