### Let the masters fix your fence

FOR value, safety and security for your home or business, there is no better place than Fence Masters (NT) Pty Ltd.

Ranging from domestic boundary fencing, commercial and heavy industrial security fencing, pool fencing and rural/community work, Fence Masters can help on any job big or small. Bob Hadfield and his team offers a range of choices when it comes to fencing, and provides self-certification to all solid screen type fencing. Fence Masters also provides a supply and information package, so all do-it-yourself handymen have access to

the products and information for a perfect standing fence. CAL accredited, they are able to handle all aspects of bush/community work and provide the best service at a reasonable price. Fence Master specialises in rural properties, and provides equipment, assistance and advice in providing the best fencing for large-acre properties. With no job being too big or small, and access to top-quality equipment, you can rest easy that Fence Masters are able to provide the best possible service when it comes to fencing. For a free quote, call Bob on 0417 801 318.

From small fence maintenance to large-acre property fencing, Fence Masters have you covered
