

Say Goodbye' to Shaving and Waxing Forever!

With our process, light is attracted to the melanin in your hair follicles, and is converted to heat, which neutralises the hair-producing cells, and leaves smooth, hairfree skin.

Fast and effective, with amazing results!

SPECIAL ADVERTISING PROFILE: HAIRFREE DARWIN

Specialists offer smooth way to hair removal

THE Hairfree Centre is Australia's largest permanent hair reduction specialists for men and women.

By combining the latest in French pulsed light technology with qualified therapists and unbeatable prices, Hairfree Centres can give you the luxury of smooth skin without the luxury price tag.

Hairfree Centre staff are possibly Australia's most experienced hair-reduction consultants, doing more than 250,000 treatments every year.

Understanding that unwanted hair can be unsightly and inconvenient to remove with traditional forms like waxing, Hairfree Centre offers permanent hair reduction and removal with Square Pulsed Light (SPL) technology that is safer and more effective to use on hair.

The state-of-the-art hair-removal equipment is designed and tested in France and approved for use in Australia by the Therapeutic Goods Administration.

Hairfree therapists are thoroughly trained in assessing and recommending a course of treatments for your skin and hair type. They are certified through a government-accredited SPL, IPL and Laser Technology Safety Course.

At your free consultation, your therapist will design a program to suit your hair and skin type.

Hair removal is Hairfree's speciality and they can help you achieve smooth hair-free skin without the hefty price tag.

To find out more information about SPL, explore their website to learn all

See the specialists at Hairfree Centres for professional treatment

you need to know about how they can help to permanently reduce and remove your unwanted hair.

Then call them on 1300 669 767 or make a hair-removal booking online.

The Hairfree Centre also offers cosmetic teeth whitening services with the BEYOND Whitespa Select System where in just three, 20-minute cycles, stains that have accumulated over the years are rendered neutral in colour and beautiful, shiny, white teeth are revealed.

Halting the skin's ageing process is another service offered at Hairfree, with Lumavesence reducing wrinkles to help the skin retain a more youthful, radiant appearance.

Lumavesence stimulates new collagen and elastin to be produced at a cellular level, with the use of infrared, red and blue light. It also treats acne, pigmentation and scarring. The combination of skin correction makes Lumavesence the perfect treatment for you.

Darwin City Council invites you to come and meet SANTA!

Santa will be appearing in the Darwin City Council libraries as well as in the Galleria, in The Mall.

Make sure you come along and say hi - Santa will be reading stories, listening to Christmas wishes and will gladly have photos taken. Please bring along your camera so you don't miss this special moment.

SPECIAL ADVERTISING PROFILE: DARWIN CITY COUNCIL

A very special guest will help entertain the kids at the family fun day in Raintree Park

Festive fun entertains the family

TO celebrate Christmas, Darwin City Council will hold a family fun day at Raintree Park and throughout the mall on December 10 from 10.30am to 2pm.

There will be live, local music, as well as jumping castles, Christmas activities and roving entertainment throughout the event.

A special appearance will also be made by Santa who will be at Raintree Park at midday.

Darwin City Council Lord Mayor Graeme Sawyer encourages the community to come along and join in the fun.

"There will also be face painting for the

children and plenty of great activities for all ages," he said.

Starting on Monday, December 10, Santa will be spreading Christmas cheer and goodwill throughout Darwin's network of libraries.

Santa will be reading children's Christmas stories, listening to Christmas wishes and posing for photos.

Bring your camera to record the memories and come along to join in the festivities.

Santa will also be at the Galleria during the lead-up to Christmas.
