

Wrap up the Christmas spirit

CHRISTMAS is one of the busiest times of year for Somerville.

Not only is the need for assistance by the community greatest at this time, but we hold our major fundraising event — Somerville's Christmas Gift Wrapping Service at Casuarina, Palmerston and Mitchell Centre each year.

If you would like to support Somerville's work, why not bring along your gifts to be wrapped.

Many people find it very handy to have their gifts wrapped before they are taken home, so that prying eyes and fingers cannot have a Christmas preview.

One event not to be missed is Somerville's Christmas

Gift wrapping is Somerville's major fundraising event

Raffle. The first prize is a beautiful pearl valued at \$2500, donated by Paspaley Pearls.

Second prize is a giant \$500 Christmas stocking with enough gifts for the family.

The \$5 raffle tickets will be on sale at the Christmas gift wrapping tables and from Somerville's offices at 147 Lee Point Road, Wagaman or 3 Victoria Drive, Gray.

Time is right to help others live a little

LIFELINE Top End is inviting Top Enders to come and be part of their annual Charity Christmas Dinner.

It will held at the Darwin Convention Centre on Friday, December 2, and features special guest entertainer Ben Addinsall, who will croon the

night away. With more than \$10,000 of raffle and auction items up for grabs on the night, what better way to enjoy a great night out while supporting this worthy cause?

The dinner will run from 7pm to 11pm and costs \$85 a head. It will have a New York, New

York theme (dressing up optional), and includes a drink on arrival, a three-course table-top buffet and lucky door prizes.

For details, or to book, contact Tamra on tamra.caruana@lifeline topend.org.au or 8941 2365.

Toy appeal to spread the season's joy

THE need for Top End families who require a helping hand at Christmas and to ensure that children receive a present from Santa never diminishes.

So, Cazalys Palmerston Club has once again thrown its support behind the Combined Christmas Toy Appeal.

Last year, more than 600 children celebrated Christmas through the Combined Christmas Toy Appeal.

Cazalys Palmerston Club is now accepting gifts to be distributed for underprivileged kids in the Palmerston, rural and Darwin areas.

Combined Christmas Toy Appeal chair Robyn Harrison is in her 29th year of organising the drive.

Gifts may be delivered to reception from now until Christmas Eve.
