Don’t Forget To Register For the TBD Family Fun Run and Walk

Construction Minister Gerry McCarthy today reminded Territorians to register for this Sunday’s Tiger Brennan Drive family fun run and walk.

“The Tiger Brennan Drive family fun run and walk will be an historic event as hundreds of Territorians get a closer look at this iconic project,” Mr McCarthy said.

“I encourage Territorians who haven’t already done so to go to the website at www.growingnt.nt.gov.au to register your interest or to get more information about this event and the Tiger Brennan Drive project.

“During the run or walk, participants will be able to see up close the new road and bridges, with the spectacular murals.

“There will also be face painting and jumping castle for the kids as well as food and drinks for a gold coin donation near the finish line.

“This new road connecting Darwin, Palmerston and the rural area will help 34,000 motorists each day spend less time in traffic and more time with their families.”

Mr McCarthy said the 5km fun run and 2km walk will be held ahead of December’s official opening of the four lane dual highway and bridges within the Tiger Brennan Drive project.

The family fun run and walk will begin at 7am on Sunday, 28 November from Berrimah Road for the runners and Tivendale Road for the walkers.

The course heads towards the Stuart Highway in Pinelands. Runners, walkers and observers will be able to access the site via free buses running from the Palmerston bus interchange.

There will be manned water stations at regular spots along the course as well as a safety vehicle in case participants need help finishing the run or walk.

Those participating in the fun run and walk are urged to park their vehicles at the Palmerston Bus interchange where they will be taken to the relevant starting points.

“I congratulate Macmahon Contractors and the Government departments involved in the Tiger Brennan Drive project for delivering this vital project,” Mr McCarthy said.
