RENEWAL MANAGEMENT BOARD REPORT RELEASED TOMORROW

October 31st, 2012

Treasurer Robyn Lambley has provided the Opposition Labor Party with a copy of the Renewal Management Board’s progress report into the Northern Territory’s finances.

Mrs Lambley said the report will be publicly released tomorrow, but Opposition scrutiny is being afforded to allow time for full analysis of the document.

“The Country Liberals believe it’s important that all Territorians participate in the discussion surrounding levels of debt and the Budget deficit.

“The August 25th election provided an opportunity for a fresh set of eyes to examine the Territory’s budget books and that is the function of the Renewal Management Board.

“The Board’s findings will inform and help to shape the decisions that drive the development of the December 4th Mini Budget.

“I urge the Opposition to focus on the issues raised within the Report rather than taking the easy option of attacking the messengers.”
