DARWIN'S TOP PUBLIC HOUSING GARDENS RECOGNISED

November 14th, 2012

Public housing garden enthusiasts celebrated today with the announcement of the Public Housing Garden Competition winners for the Darwin region.

Member for Drysdale Lia Finocchiaro presented the awards and said the pride tenants took in their gardens was evident.

“The judges were really impressed by the calibre of entries and faced a difficult task to select the winners,” Ms Finocchiaro said.

“All entrants have worked hard to make their home environment a place of pride and are doing their part to make the world greener. I’m sure they have also inspired other Territorians to put on a pair of gloves, pick up a trowel and give gardening a go.

Awards were presented in six categories with each winner and runner up receiving a home improvement voucher to help with the continued maintenance, growth and design of their gardens.
