400 MORE JOBS IN THE TERRITORY

December 6th, 2012

The Country Liberals Government oversaw the creation of almost 400 new jobs in the Northern Territory economy during November.

The latest Australian Bureau of Statistics figures show 126,238 people had jobs in the Territory in November, compared with 125,855 the previous month.

The Territory’s trend jobless figure dropped from 3.9 per cent in October to 3.8 per cent last month.

“The Territory’s jobless figure is the lowest in the country and shows the enduring strength of the local economy,” Mrs Lambley said.

“This is in stark contrast to the doom and gloom being spread by the Opposition Labor Party.

“The Country Liberals Mini Budget supported additional jobs growth with $100 million over the next four years.”
