PEOPLE POWER SAVES STOW ROAD

Gerry Wood, the Independent Member for Nelson, says the people of Howard Springs especially the residents of Stow, Langton, Fitzgerald and Madsen Roads have had a win.

The submission by NT Link to build a 250 person workers camp on two 2 hectare blocks on Stow Road has been rejected by the Minister.

Gerry says that is a great outcome for the residents, for common sense and sends out a message don’t muck about with the rural area – small block development is not wanted.

Gerry thanks the residents for all their hard work in putting out a petition, lobbying politicians, writing submissions and attending the DCA meeting.

Gerry also thanks the Minister for his wise decision.
