4—Stevens, George (Butcher)
Notice to Subscribers.

General Rules.

Make sure of the correct number before calling.
Speak clearly and directly into the transmitter.
Answer promptly when called and announce your name or number.
When conversation is finished replace the receiver, and if a ringing handle is provided turn it several times.
Do not replace the receiver when it is necessary to leave the telephone before the conversation is finished or you may be disconnected.
If you are disconnected after being called, hang up the receiver so that the caller may ring again.
If you wish to complain, ask for "Complaints" at the time the trouble occurs and report the details of the difficulty.

Insurance of Instruments.

Subscribers are responsible for the value of any telephone instrument or other apparatus rented from the Department, which may be destroyed or damaged by fire or other cause. It is advisable, therefore, to cover the value of the telephone apparatus by insurance.

Cancellation of Telephone Services.

A subscriber who desires to discontinue his service is required to give at least one month's notice in writing.
A subscriber who changes his address and fails to notify the Department within 1 week after leaving his former premises is liable to a penalty of £10.
No one who enters into occupancy of premises where a telephone service is installed is entitled to use the service unless he obtains approval from the Department. Otherwise he is liable for all amounts owing for the service at the time he took up the occupancy. The Postmaster-General reserves the right to refuse to provide any new service or transfer any existing service.
A subscriber is not permitted to sell or offer for sale his telephone service. Non-Observance of this renders the subscriber liable to a penalty of £10.

Complaints and Correspondence.

Do not make complaints to the telephonist.
Complaints concerning the working of the telephone or the quality of the service should be made to the Postmaster.
Correspondence and inquiries regarding the telephone service should be addressed to the Postmaster.
