BATTLELINES WILL BE DRAWN IN BLAIN

Leader of the Opposition, Delia Lawrie, will be visiting Blain residents this weekend following the shock resignation of Terry Mills.

“The upcoming by-election is a chance for the residents of Blain to send a message to the CLP Government that they are hurting,” Ms Lawrie said.

“I will be hitting the doors of Woodroffe, Moulden and Rosebery to hear directly from residents as to what they think of the CLP.

“The CLP Government has broken their promises to reduce the cost of living and keep frontline jobs safe, families and businesses are hurting.

“Power and water prices are at an all-time high and are set to spiral upwards with the CLP agenda to split up PowerWater to position it for sale.

“The CLP have delayed the Palmerston Hospital by choosing an unserviced site and voters have every right not to trust this CLP Government.”

Ms Lawrie said the CLP Government has made it clear that they do not care about the workers.

“The CLP Government has slashed teaching jobs,” Ms Lawrie said.

“They don’t support frontline jobs and services like teachers, firefighters and paramedics who are all in dispute.

“We’ve seen 2,000 jobs lost since December.

“Blain residents can use this by-election to let Adam Giles know that have had enough of the CLP Government’s cuts and contempt of hard working Territorians.

“Territorian families are hurting and can’t take any more of the CLP Government’s greedy ways.”
