ON TRACK
DELIVERING FOR TERRITORIANS

A PROSPEROUS ECONOMY

The key to creating opportunity is building connections for all, which is why the NT Government is investing $4 billion in infrastructure, including $362 million to build roads, bridges, and pipelines. We are working to cut red tape and lower the cost of living, with initiatives such as our work to drive down the cost of fuel.

These are just some of the ways we’re working with Territorians for a prosperous future.

11,000 jobs created, 200 pieces of infrastructure.

Record road investment, including the Finke River Loop, relating to Northern Territory

NORTHERN TERRITORY GOVERNMENT
