TIGER BRENNAN DRIVE DUPLICATION NIGHT WORKS ON STODDART DRIVE THURSDAY 20 AUGUST 2015, 1.30AM-5.00AM

As part of the Tiger Brennan Drive duplication project, Power and Water will undertake essential night work to install a new power pole at Stoddart Drive on **Thursday 20 August 2015**.

In the interest of public and worker safety, power to street lights and essential infrastructure will be switched off between the hours of **1.30am and 5.00am**. During this time, it is anticipated that there will be no impact to surrounding homes and businesses.

To minimise noise disruptions to residents in the area, a Noise Management Plan has been implemented which includes switching off the reverse beepers on heavy machinery during this period of work. Additional lighting will be installed to increase visibility but will be faced away from houses.

A second round of night works will follow on the evening of Wednesday 2 September to allow relocation of power lines. Further communication will be provided in advance.

All queries around the Tiger Brennan Drive project can be directed to 1800 820 455 or email tiger.brennan@nt.gov.au. Further details on the project are available at www.nt.gov.au/infrastructure

*In God's garden up above,
stands a rose we dearly love,
She stands with petals open wide,
watered by the tears we've cried,
Beautiful memories silently kept,
Of one that we loved & will never forget,
Deep in our hearts you will stay,
Loved and remembered everyday.*

A loving tribute from your mother Lily, your devoted family Mark, Aby & Cooper, and eternally missed by your sisters, nephews, nieces and family.
