CLP Leader Terry Mills and Shadow cabinet are meeting in Hermansburg in Central Australia today.

As part of the Shadow Cabinet visit CLP Shadow Ministers will also meet with members of the Hermansburg community to discuss issues of importance.

CLP Shadow Cabinet will then return to Alice Springs for a further two days of meetings with the Alice community.

"The CLP started community cabinet meetings when we were in Government. We continue that tradition and recognise the importance of going to the people to listen to the issues that are important to them," Mr Mills said.

"Shadow Cabinet in Central Australia is doing just that."
