Resurfacing works on Trower Rd and Tiger Brennan Dve will begin this weekend.

The Trower Rd (outbound between Lakeside Dve and Parer Dve) works will begin tomorrow and extend over three weeks including weekends.

The resurfacing works will be undertaken over the following hours: 9am to 3.30pm and 5.30pm to 7.30pm (weekdays); 1pm to 7.30pm (Saturdays) and 9am to 7.30pm (Sundays).

These working hours are designed to minimise disruptions to peak traffic flows.

Meanwhile, at the Tiger Brennan Dve and Woolner Rd intersection, repairs and the works to cover old linemarking from previous intersection upgrades will be carried out over two weekends starting tomorrow.

A 30mm asphalt overlay will be laid incorporated with corrective pavement work.

Half the intersection will be completed each weekend. During this time all traffic will be detoured to the opposite side of the intersection and cross traffic will be directed by traffic controllers.

Some delays can be expected and motorists are advised to use the Stuart Highway where possible.

Warning signs will be in place and drivers are urged to take care.

Local residents have been informed.
