The Territory Government has funded new capital works for sporting projects from Nakara to Ngukurr.

Sport and Recreation Minister, Delia Lawrie, said various sporting grounds around the Territory will soon undergo much-needed upgrades.

“Sport is an important part of our great Territory lifestyle – particularly in regional and remote areas where active living encourages healthy living,” said Ms Lawrie.

“As part of the Sport and Recreation capital works budget, we’re spending more than $1 million on a number of important projects, including works on the Canteen Creek Sports Centre and an upgrade of Ngukurr Oval.”

Ms Lawrie said the list of works includes –

- $100,000 – Canteen Creek Sports Centre
- $400,000 – Lighting at Nakara Oval
- $500,000 – Ngukurr Oval Upgrade
- $500,000 – Perkiss Reserve planning, design and lighting

“This money is being distributed immediately to ensure work can get underway as soon as possible,” she said.

“We have a good few months of dry weather ahead which is great news for construction projects such as these.”
