WHY ARE TERRITORIANS PAYING FOR LABOR’S ELECTION FLYERS?

“Why is the NT Government using taxpayers' money to fund election material?”, asks Loraine Braham, Independent Member for Braitling.

"Today I asked the Chief Minister -

How can you justify the use of government funding to influence voters in a Commonwealth election?

and

How much do you intend to spend?"

"Simple questions but no direct answer from the Chief Minister".

"Territorians are getting a flood of election material which should be authorised by the party or individual concerned".

"These flyers are printed and authorised by the NT Government - obviously being funded by you and me".

"Is this a legitimate use of our money?"
