Health Careers & Opportunities in the Northern Territory

If you want your career to go places then join Department of Health in the Northern Territory. The challenges and opportunities in health and community care in the Territory are like no other in Australia, from remote Aboriginal health to tropical health and urban tertiary care. Continued investments in Aboriginal health, remote health, acute care and community services offer many opportunities for health professionals who want to be part of making a difference.

HEALTH SERVICES

DARWIN ALCOHOL ASSESSMENT AND TREATMENT FACILITY
The Northern Territory Government is establishing mandatory treatment to respond to chronic alcohol problems from 1 July 2013. The Darwin Alcohol Treatment Facility, on the grounds of the Royal Darwin Hospital campus will provide assessment and treatment services for up to 100 clients at any one time. The service will respond to the complexity of alcohol-related harms across the client group including withdrawal management, life skills, health assessment and primary health care needs including chronic disease management.
