Palmerston Regional Hospital major trade packages awarded

More than $44 million in major trade packages have recently been awarded to local NT businesses as part of the Palmerston Regional Hospital development. This builds on the $28 million in trade contracts previously awarded and brings the total current value of packages awarded to local NT businesses to $72 million.

Work on the $170 million Palmerston Regional Hospital is progressing well with the 116-bed facility – jointly funded by the Australian and Northern Territory Governments – set to open its door to patients in 2018.

The latest contracts awarded include –

- Mechanical services – awarded to Arducter – Darwin
- Electrical services – awarded to Nelson (NT) Pty Ltd
- Plumbing and Remedial Building Works – awarded to Control Fire Services
- Boat Ramp Pontoon Modules – awarded to Airducter – Darwin
- Temporary Bund Wall – awarded to Otis Elevator Company PTY LTD
- Major Plumbing Package – awarded to Zuccoli Primary School
- Mechanical services – awarded to Airducter – Darwin
- Fire – wet and dry – awarded to Control Fire Services

Local businesses are encouraged to check the NTICN Gateway website for further details about trade packages at Palmerston Regional Hospital.

Tenders Invited
