Kit (cassette/slides)

**LET'S GET TOGETHER**

103 slides and a cassette tape

Parents, students and teachers from St. John's Secondary College, Darwin have worked together to produce this interesting video. Students from 21 non-english speaking backgrounds talk briefly of their homeland, its characteristics, music, traditions and culture. This video reflects the Multicultural nature of the student population of the schools in Darwin.

Also available on U-matic video.
