Police, Fire and Emergency Services Minister Syd Stirling will join Wagaman residents in celebrating the ‘lighting’ of Amsterdam Circuit Park today.

The community project was jointly funded through the government’s NTsafe grant scheme and Darwin City Council.

"The Wagaman Residents Group has been working hard since 1998 to address local crime and anti social behaviour issues in their area," Mr Stirling said.

"Underpinning the success of the group is its cohesiveness and ability to work in partnership with other agencies and the local community to achieve results.

"A mural will also be painted in the park by a graffiti artist and local young people.

"The Wagaman Residents Group is an example of how a community group can achieve very positive outcomes. All involved in the project deserve congratulations." Mr Stirling said.
