Stop anti-social behaviour in public housing!

- Enforce tenancy agreements from the start, not after problems arise, and screen applicants
- Limit visitor numbers to the number of bedrooms
- Get tough on offenders - tenants and visitors
- Give priority to Alice Springs' applicants - not community itinerants
- Make NO GROG signs enforceable under the Liquor Act
- Set up camping grounds for visitors to town

KEEP UP PRESSURE on the government to make changes
WE MUST ALL WORK TOGETHER
